

# THE YEMENIS

- The Yemenis began working here in the 1950s...
- They found employment in the hotel & shipping industry...
- They were forbidden to marry to provide homes with local families...
- Local Arab men didn't like the Arab Yemenis...
- They thought they would work hard...
- Employers took advantage of immigrants without the working conditions...
- In 1950 they got the first strike...

# AFTER

- They stopped coming in 1950 after Yemen...
- They found employment in the hotel & shipping industry...
- They were forbidden to marry to provide homes with local families...
- Local Arab men didn't like the Arab Yemenis...
- They thought they would work hard...
- Employers took advantage of immigrants without the working conditions...
- In 1950 they got the first strike...
